Storage of Personal Property Policies

Storage is available on a first come, first served basis only in the lower barn area for seasonal campers who are in good standing and have paid the required deposit for the following season. Facilities are limited. All items placed in storage must be clearly marked with the camper's name and site number. Because of the limitation of space we ask that everyone conserve space as much as possible. Types of storage are listed below:

Floor Space Storage: All boxes and other storage units may be placed in the agreed upon labeled area. Use of sealed totes is strongly recommended. **Storage of flammables such as propane, lighter fluid, torch fuel is not permitted in the lower barn area.** Those items must be individually labeled and stored in the area designated for fuels/flammables.

Bicycle Storage: Bicycles may be hung from the rafters in a pre-agreed area with the Site Director and/or RV Park Manager. Hangers are to be provided by the camper.

Canoe/Kayak Storage: There is limited rack storage for canoes and kayaks. Boats, oars and paddles must be clearly labeled.

Goods must be retrieved by May 1st of the coming season.
